**INSPIRED BY A STAGE LIT ON FIRE
AND A CROWD GOING WILD**

"FIRE IT UP" WAS BORN FROM ONE UNFORGETTABLE NIGHT – WATCHING METALLICA PERFORM "FUEL" LIVE AS FLAMES SHOT INTO THE SKY AND THE CROWD ROARED LIKE THUNDER. IN THAT MOMENT, TANGUY FELT A SPARK IGNITE INSIDE HIM – A REMINDER OF HOW POWERFUL IT FEELS WHEN MUSIC CONNECTS STRAIGHT TO YOUR SOUL. THAT SAME SPARK BECAME THE HEART OF FIRE IT UP: A SONG ABOUT AWAKENING THAT INNER FLAME WE ALL CARRY, AND LETTING IT SHINE FEARLESSLY INTO THE WORLD.
